Avertisement

IF any Gentleman curious in the
Mathematicks have at this time
an occasion for Instruments thereunto
belonging, or books to shew the
use of them, they may be furnished
with all sorts, useful both for
Sea or Land, either in Silver, Brass,
or Wood, by Mr. W. Jones at the
Gate in St. James's-Fields, next
Door to the Paper-hang Tavern;
where they may have all sorts of
Maps, Globes, Sextants, and Ma-
thematical Paper, Carpenters Rules,
Staff and Pocket-Dials for any La-
titude, Steel Letters, Figures, Signs,
Planets, or Alphabets, at reasonable
Rates.
